**HOMESCAPES (1990) LTD** is a family run business that specialises in the design and construction of all types of garden projects. Paved drives, paths and patios are created to give individuality and suit your personal requirements. These can be complemented with beautiful planting schemes. After consultation (which is without obligation), we will offer a range of design and price alternatives to meet budget limits. Often, we can offer long-term schemes that can be implemented over a number of years at various stages, thus reducing initial financial outlay.

**DISPLAYS & AWARDS** Our displays have won Gold Medal Awards at many shows, including

Southport. On many occasions, we have been awarded the Best Trade Stand at the Royal Lancashire Agricultural Show in Astley Park, Chorley. We are also proud to be national winners of the TopPave Patio of the Year Award. We have permanent display areas that can be viewed by appointment.

**PROFESSIONAL MEMBERSHIP/GUARANTEES** We are highly respected in the garden construction industry by both the manufacturers and the suppliers. We are also listed on the Marshalls Register as an Approved Contractor. This allows us to offer manufacturers' insurance-backed guarantees when their products are used. We, in turn, guarantee all our own work.
